# Notes

## Hotel Check-In/Check-Out Times

The standard hotel check-in time is 6:00 PM, and check-out time is 12:00 PM. However, these times may vary for individual groups due to operational requirements.

## Double/Twin Rooms:

A double room typically consists of two single beds. Couples booking a double room should note that allocation of a room with a king-sized bed cannot be guaranteed.

## Triple & Quad Rooms

In most 4 and 5 star hotels, triple and quad rooms are arranged by adding one or two rollaway beds. Please note that these rooms may feel a bit tight due to the additional beds. The rollaway beds are usually inferior to the standard beds.

## Family Accommodation

Every effort will be made to keep families together. However, due to Nusuk system limitations, there is a slight chance that families may be split into different rooms. The room type specified in the booking is guaranteed.

## Package Duration

The duration of the package will be determined by flight schedules. While every effort has been made to align flight schedules with the package dates, the exceptionally high demand during the Hajj season may occasionally result in the loss of a few nights.

## Discrepancies

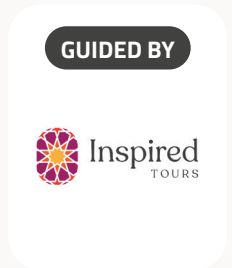

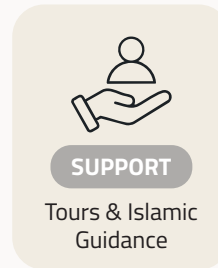

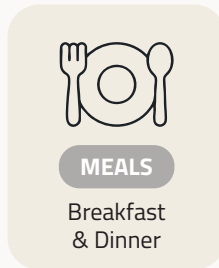

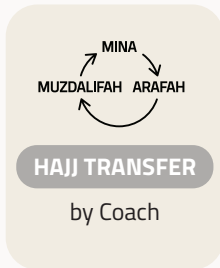

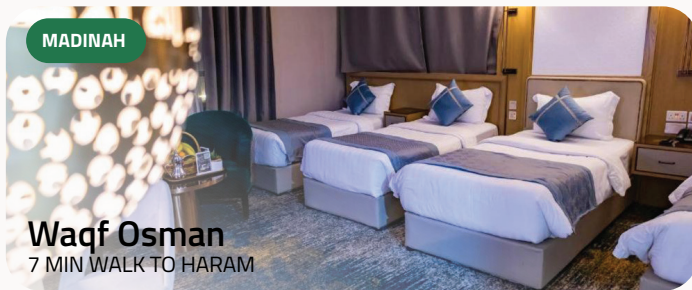

In the event of a discrepancy between the information provided here and the details on Nusuk, the information on Nusuk will take precedence.
